

# LE MANS CLASSIC 2016 8, 9 et 10 JULY 2016

---

The MG Club of France will be happy to see you on its stand, situated in the car park, inside the Classic Le Mans circuit. The same place as two years ago. Please note that entry to the circuit is only authorised for classic cars.

Having not found any volunteers to man the stand during the night, the stand will be closed on Saturday at 7pm. As well as mid-day on Sunday.
